- Manage Groups
- Manage Marketplaces
- Manage Companies

NOTE: Do we have any password character requirements?

YES: Passwords must be at least 7 characters with at least 1 number, 1 letter and 1 special character.

Elan Note: Manage Marketplaces and Manage Companies was not defined for this release. TVC roles only. Admin (at customer) needs Manage Users menu item (hidden to planners and data specialists). This was supposed to be one menu item for both functions; for customer, managing groups is part of managing users not a separate function.
